

# SAN DIEGO COMMUNITY CORRECTIONS PARTNERSHIP

July 26, 2012

# SB678 Plan Update

## Incentives and Sanctions Continuum

- Training of high risk supervision officers (Director, Supervisors and High Risk Officers) will take place July 31 and August 1 for immediate implementation
- SB678 Supervisor coordinating with collaborative partners to assist with I&S training for their agencies

## Integrated Behavioral Intervention Strategies (IBIS)

- Case management tools that combines motivational interviewing and cognitive behavioral intervention strategies to assist probation officers to guide probationer behavior change and reduce recidivism
- As of June 2012- 50% (413) of departmental employees have been trained, with approximately 90% of AFS staff trained

# Initiatives/Projects Update

## **SB678 Plan- Enhanced Treatment Services for High Risk Probationers**

- Since 7/1/11 - services in all six regions of the county via Regional Recovery Centers:

**812 probationers referred**

607 probationers served

35 graduated (since it is a 6-9mth program, these #s are still growing)

83 received residential treatment

47 have become employed

- Probation Aides serve all regions of the county for “warm hand off”.
- On 07/01/2012, Telecare services implemented to provide wraparound mental health treatment and services for high risk offenders with severe mental impairments. This service will be available to a total of 20 probationers.
